Advocate for a thriving Tucson by creating great streets for all of us

# TUCSON DELIVERS: PARKS + CONNECTIONS

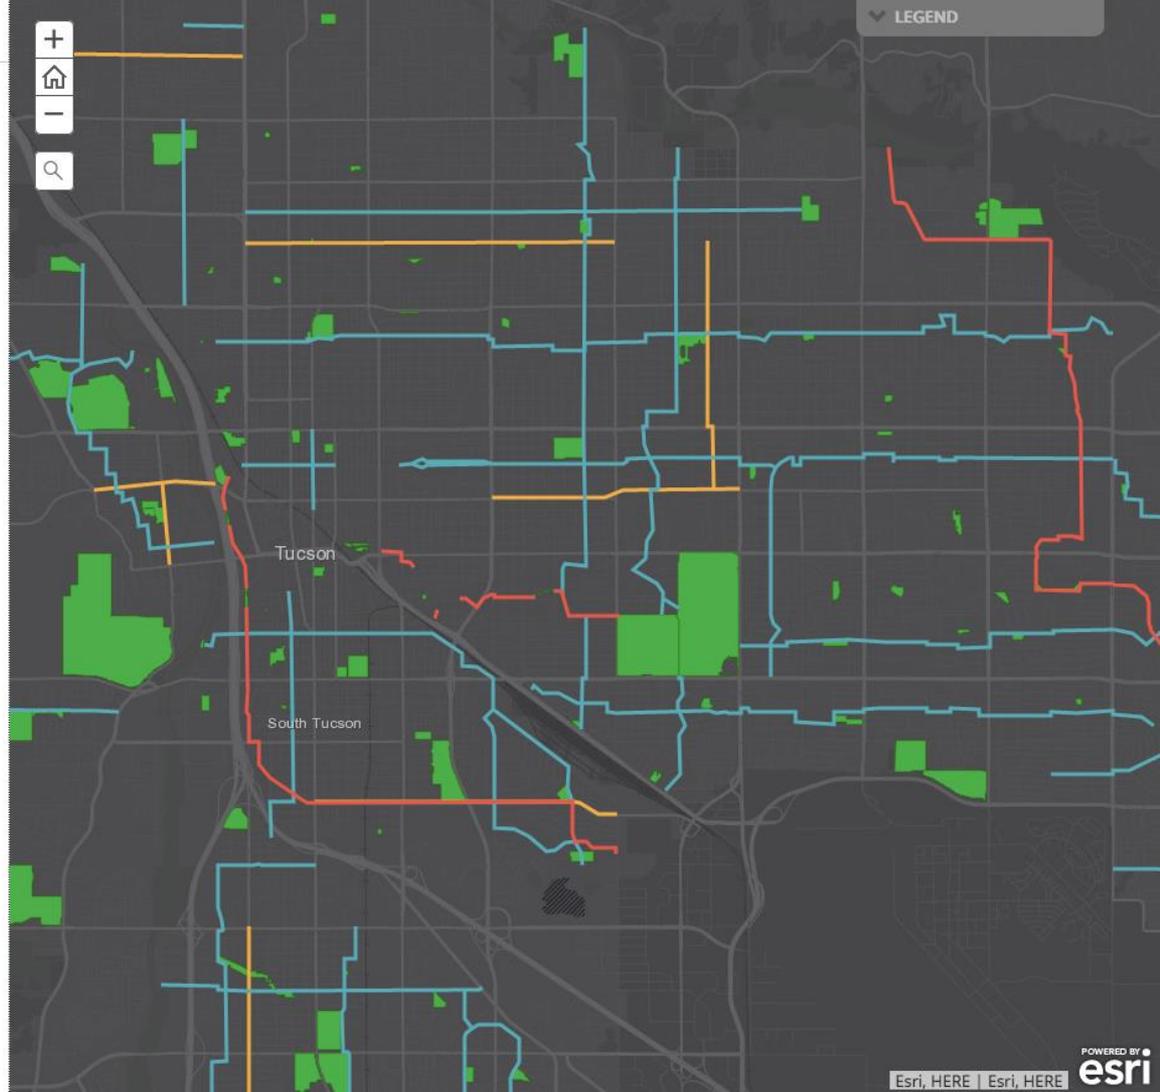

Tucson Delivers: **PARKS + CONNECTIONS** includes \$225 million in General Obligation bonds to fund parks and connections improvements throughout the City of Tucson. The program will be implemented in three phases: 2019-2022, 2023-2025, and 2026-2028.

**HOW TO USE THIS MAP:** This Story Map is a tool for you to learn more about the projects. **Scroll down to explore** the different categories of projects. **Click on underlined words** to access more information. **Interact with the map** by clicking on the map features for more information about projects. **Click the down arrow in the Legend box** (top, right) to show the map legend.

[EXPLORE PARKS](#) | [EXPLORE CONNECTIONS](#)

*Click the underlined text to jump to specific categories*

## Your input is important.

Join us at the virtual town hall event on December 3 to learn more and give input to the project team—or take our online survey **by December 10**.

[Take the survey](#)

We also have an interactive map that allows you to add ideas or comments to a spot on the map. Just click the "Add Comment" button, click on the map, add your comment, and click "Report It".
