

Changes in the ATP Guidelines, Applications, and Scoring

Wednesday May 6, 2020

Meghan Pedroncelli, Program Analyst

Quick Build Project Pilot Program

- **Quick Builds:** Interim capital improvement projects that further the goals of the ATP
- Up to \$7 million will be awarded to Quick Build Projects
- **New Due Date: July 15, 2020**
 - Application on the [Caltrans ATP Website](#)
- Evaluation
- State-Only Funded
- Reporting Requirements

Scope & Plan Layout Consistency

- Points for this question **increased** in all Infrastructure Apps:
 - Large from 2 points to 7 points
 - Combination of Scope & Plan Layout Consistency and Cost Effectiveness
 - Medium from 2 points to 5 points
 - Small from 2 points to 3 points
- Evaluators will be looking at consistency between 3 main elements:
 - Layouts and Maps
 - Engineer's Estimate
 - Project Schedule

Scope & Plan Layout Consistency

- Caltrans held a workshop that laid out what applicants should be including in their application to be a PSR Equivalent and what is needed in order to be successful on this question
- The Workshop can be found on the ATP Website:
 - [PSR Equivalent Presentation](#)
 - [PSR Equivalent Workshop Recording](#)

Performance Metrics

- Performance Metrics will **only** be required for **funded** projects
- Performance Metrics that will be required:
 - Counts
 - Follow the [Interim Count Methodology Guidance](#)
 - Active Transportation Resource Center [Loan Counter Program](#)
 - Affordable Housing and Sustainable Communities Benefits Calculator

Cost Increases

- The Active Transportation Program does not fund cost increases
 - One exception: Caltrans Implemented Projects
 - Will only consider cost increase for Caltrans implemented projects
 - Caltrans cost increase requests must be approved by the Commission in the same manner as project cost increases for other Commission programs.

Clarifying Language

- Removed duplicative language
- Extreme scores
- Emphasized importance of Attachments for several questions
- Connecting Part B to Part A

Active Transportation Resource Center

- This provides resources, technical assistance, and training to partners across California
- Have a mailing list to keep people updated on upcoming trainings, webinars, etc.
- Includes Application Modules, Technical Assistance on Non-Infrastructure Projects, Safe Routes to School Guides, etc.
