"Thank you for doing this program. He spends a lot of time on screens with attending school and homework, plus it's his only way to spend time with some of his friends from school who he can't see in person right now.

Any additional positive reinforcement for the non-screen activities he is already doing, as well as encouragement and ideas to do more, is most welcome!"

"Thank you for making this activity available for kids :) It has definitely been a motivator to keep moving and get exercise for my child."

PBOT Safe Routes to Schools
May 5

Each month we will be sharing safety messaging that may be helpful to you or to share with your communities. May's theme is "Anti-Racism".

May is Bike Month! Let's celebrate by ensuring we all feel free to ride in our city. Together let's fight bias/hate.

Here are some things you can do:

1. Care for yourself if you have experienced hate/bias [Call to Safety Trauma Stewardship](#)
2. Interrupt harmful behavior and language [Hollaback! Learning for Justice](#)
3. Report hate/bias acts [Portland United Against Hate](#)
4. Educate yourself! [AORTA: Anti-Oppression Resource and Training Alliance Showing Up for Racial Justice Portland](#) - [SURJ PDX WWHAT'S UP?! Pittsburgh](#)

MAY BIKE MONTH

May is bike month! We want to celebrate by making sure everyone feels free to go for a ride in our beloved city.

Let's work together to fight bias and hate acts which are happening far too often in our country.

2021 & beyond

- We're still in a pandemic - how are we moving forward?
- Supporting back to school - hybrid & in person
- Continuing RBA work
- Focus groups to influence youth programming
- Transportation Academies
- Continue to host virtual/hybrid youth interns
- Pausing to celebrate as a team!
